FL Citrus Fall Classic DE Scheduled Oct. 17 and 18 @ Roebling Road

We are just 2 weeks away from our final DE of 2009. Get over to ClubRegistration.net and sign up now as space is limited.

Come celebrate 20 years of DE excellence with Florida Citrus region October 17th & 18th at Roebling Road Raceway just outside Savannah, Georgia. In addition to track time, your registration includes a Friday night social at our new host hotel, Cambria Suites, and 20 year DE anniversary dinner Saturday night. As with all DEs, this is a limited space event so please Register Now at www.ClubRegistration.net. You don't have to sign up as a DE driver to enjoy the non-driving aspects of the event so we encourage you to bring your family and friends. Speaking of family and friends, all are welcome out on the course for a track tour at lunch on Sunday. Remember, we also have a Non-Driving Student entry for those that want to experience all aspects of the DE but from a passenger's perspective. Sign up for Non-Driving Students is done the day of the event (form available on website). If you have additional questions, take a look at the DE section of the club web site (<http://flc.pca.org>) and feel free to contact myself or our registrar for the event Barbara Barnes [bb06barnes@yahoo.com or 904-880-0785].

I look forward to seeing

you at the event,

PRESIDENT'S UPDATE

The year is flying by and I'm only just beginning to understand the job. Of course, also doing the Spiel and coordinating social events has detracted from "big picture" ideas. But help has arrived! **Laura Shields** has volunteered to be our Social Chair and **Travis Young** is going to take on the Spiel.

Both will be phasing into their "jobs" in the coming months. Thanks to both for coming forward to help improve our club. This good news has made it possible for me to volunteer for another year as President. A slate for 2010 is forthcoming from the Nominating Committee to the Board of Directors on Oct. 20th and voting will be held at our November meeting at Porsche of Orlando.

October hopefully brings some cooler weather but also the 2 exciting track events, *OctoberFast* at Daytona Oct. 9-11 and our fall DE Oct. 17,18 at Roebing Road. **Bert Del Villano** and **Dave Borinski**, respectively, are leading the annual events which should be fun to participate in or just attend. See page 1 for more info.

Our final 2 major events are the annual Challenge Rally on Nov. 15 to benefit the Russell Home and our Holiday/Anniv. party Dec. 6 at the downtown Marriott. **Bill Davis** is taking apps (page 8) for the Rally and **Cindy Anderson, Meredith McWaters** and the **Peebles** are working the Dec. event. Lots of activities. Hope to see you there!

Chuck

Journey to the 2009 East Coast Holiday – by John Reker

The challenging part was finishing the car in time. We (John and Jan) started restoration a year ago after returning from the 2008 East Coast Holiday (356 Registry version of Parade) in Lancaster, PA. I got the car back from **Sid Collins**, who had refurbished the engine, with less than a week until we had to leave. I needed to swap steering wheels, install seat belts, test drive the car, wax it, etc. and finished up Sunday late. Monday was Labor Day so I rested a bit and packed my emergency repair kit and our clothes. We took off Tuesday morning and we were driving solo since no one else was going from Central Florida. The trip went well with no problems, although the vent window A/C was a lot less than desired.

Got to the French Lick, Indiana site Thursday morning to be in time for a Poker Rally at 1:00 PM. After chatting with some people we learned the rally was cancelled because they supposedly could not find several places for the cars to stop to pick out cards from a deck. Right--So we picked up a self guided tour sheet and did a run with two other cars. Really nice country roads with no one on them and fun, rolling hills. Friday was a variety of tech sessions and Lit/swap meet. Saturday was the Concours and there were about 200 cars on the hotel grounds and gardens. A perfect setting and perfect weather. The West Baden Springs Hotel (newly restored grand hotel and spa dating back to 1902) was everything they advertised and more (see photo in the atrium of the hotel taken from a fourth floor room). You can get a feel for the scale of the facility. We drove home solo (again) in two days and overall had no rain or mechanical problems the whole trip so we're relaxing at long last. A photo finish. Total miles a bit over 2000.

Porsche Racing, Driver's Ed, Autocross and Rally

ALMS - American LeMans Series – articles excerpted from Jill Beck email.

After 8 rounds of ALMS racing, **Joerg Bergmeister** and **Patrick Long** are leading the GT2 category driving their **911 RSR**. The final race of the season, the Petite LeMans, will be held at Road Atlanta on Sept. 26th and is a 10 hour, 1000 mile race. Results for the season will be covered in the November issue of the Spiel.

In their previous race, at Mosport, the two **Porsche 911 GT3 RSR** teams were involved in substantial track incidents. For the Long (USA) and Bergmeister (Germany) Flying Lizard Porsche, it was a three-way shunt caused by a prototype cutting off the BMW racer ahead of Patrick, causing the BMW to slam on the brakes unexpectedly, and the Lizard Porsche ploughed into the back of the BMW. The strength of the GT3 RSR chassis saved our day," said Long. The pair was unable to run with the Corvette/Ferrari fight for the race lead but finished a credible fifth place to retain their 31-point GT2 championship points lead over the Kaffer/Melo Ferrari, which finished second. The winning Magnussen/O'Connell Corvette was the first win for their new GT2 effort, but they are not in the points chase. Porsche maintains a 140 - 107 lead over Ferrari in the manufacturers point.

GRAND-AM Rolex Series – articles excerpted from Jill Beck email.

MONTREAL - August 29 -- Despite dark and dreary wet weather conditions, Saturday was a good day for Porsche teams competing in the Montreal 200 Grand-Am Rolex Sports Car Series at Circuit Gilles Villeneuve in Montreal. Porsche works drivers **Timo Bernhard** (Germany) and **Romain Dumas** (France) finished second in their #12 Verizon Wireless **Penske Porsche Riley** and narrowly missed their first victory of the season. **Leh Keen** (Charleston, SC) and **Dirk Werner** (Germany) missed the GT podium, finishing sixth in their **#87 Farnbacher Loles Porsche 911 GT3 Cup**, but padded their Acxiom GT championship points lead to 35 points, a full race's worth of points. The **#58 Brumos Porsche Riley** of **David Donohue** (Malvern, PA) and **Darren Law** (Phoenix, AZ) had a action-filled path to finish fifth. The other Brumos car, the **#59 Porsche Riley** started by **JC France** (Ormond Beach, FL), retired after just 11 laps, suffering rear damage after being hit from behind.

Driver's Education (DE) – the next DE is scheduled at Roebing Road Oct 17 and 18 - see page 1

Club Member Racing – see page 1 for *OctoberFast* Club race at Daytona Oct 9 - 11

"Members in Competition" update from member **Gary Meredith** - "son **Bryce** and I just returned from the SCCA Solo II Nationals with some hardware. I was 4th and he ended up winning the National Championship in our class driving our BMW 328is. He beat the favorite, a 4-time National Champ who was picked by just about everyone to win this year as well. There were 42 drivers in our class (STX) and a total of 1150 participants, making it the largest motorsports event in the world. The event was held on a former SAC air base in Lincoln Nebraska". **Congratulations Gary and Bryce!** (But a Bimmer?!).

From **Sid Collins** – "Our local vintage racers attended a VDCA event at Roebing Road 9-4/5/6-09. The weather was great for all those prepared to attend our upcoming DE" at Daytona. **"John Cox & Robert Demetrius** raced and represented our Citrus PCA club very well. Demetrius's **73 911RS** was a solid 4th overall after a 1 hr. enduro. A good time was had by all who attended..."

In the last issue of the **Spiel** it was noted that **Allen Burgess** was critically hurt racing at Daytona. Since that time we regret to inform our members that he has passed away as a result of those injuries. Our heart and deepest regrets go to his family and those who knew him... Regards, Sid Collins

Autocross – the next Autocross will be held in on Sunday, Oct 11 conjunction with *OctoberFast* (see page 1)

Rally – the Challenge Rally is scheduled for Sunday Nov. 15th

The Annual Challenge Rally is a charity fun-rally/scavenger hunt to benefit the **Russell Home for Children**. At the 2008 event, we raised over \$4500.

You will be given the chance to drive your car through some of the best roads and unspoiled areas in N. Central Florida. Come join your fellow European car enthusiasts while raising money for Charity (Audi, BMW, Jaguar, Mercedes, Bentley, Lamborghini and Ferrari folks are being invited). There will be door prizes and awards for a variety of categories. This year's event is hosted by your FL Citrus Porsche Club. We look forward to seeing all of you come out for this great event.

Past events have been won by Porsche because we have had the most cars support this great charity. Last year however, BMWs edged out Porsches by one car! The challenge this year will be to not only continue our support of the Russell Home but again have the most cars at the rally!

If you only do one event a year, this is the event to attend! We're starting from Porsche of Orlando in Maitland.

Registration form on page 8 or online at our website: <http://flc.pca.org>
