# Help with The Holiday CA\$H CRUNCH

By Jill Perry

**W**ith great member rates and features, AAA's financial tools can help ease the burden placed on your wallet during this festive time of year.

## Refinance for lower payments

Refinance your existing auto loan with a low-interest loan from AAA and lower your monthly payment. You can refinance anytime during the life of a loan. AAA's low loan rates also save you money when you're buying a vehicle, no matter if it's new or pre-owned.

## Buy smart: Start with a great price

Save even more money by getting the best price on your new or pre-owned vehicle through AAA Car Buying Service. Members receive a no-haggle, low-price guarantee and TrueCar™ price reports for competitive pricing.

## Guard against high repair bills

Don't let the money you've saved buying a pre-owned vehicle get eaten up by unexpected repairs. AAA Extended Warranties protect you from high repair bills. Coverage is offered for vehicles with up to 150,000 miles at the time of purchase, and payment plans are available with 0 percent financing.

## Don't get lost in the GAP

Guaranteed Asset Protection safeguards your investment if your vehicle is stolen or totaled in an accident. GAP coverage eliminates the out-of-pocket expense for the loan balance after your insurance company has settled the loss. Both aspects of the coverage help you avoid financial hardship, afford a replacement vehicle, and protect your credit rating.

*For more information, go online to [AAA.com/AutoLoan](http://AAA.com/AutoLoan), visit your local AAA office, or call 1-800-866-2111.*

**save money  
get extra cash**

Rates as low as  
**2.25%**  
48 months

**Refinance your vehicle today and lower your payments.**

- Exclusive member rates with terms up to 72 months
- GAP coverage and extended warranties available
- Flexible repayment terms
- Easy application — quick response
- Personalized service

**Visit [AAA.com/Auto](http://AAA.com/Auto) or call 1-800-289-9599**  
**OFFER CODE: ALPC1111**

**AAA IS YOUR SINGLE SOURCE FOR:**  
Auto Buying | Auto Finance | GAP Coverage | Extended Warranty

**AAA Financial Services**

\*Rates and terms subject to change without notice and will vary by state and county, collateral type and loan to value ratio. Rates may not be available in all areas. Some restrictions apply. Rates listed are for AAA members only. Other rates and terms available. All loans are subject to credit approval. Actual rate will be determined by individual credit worthiness. Example: Borrowing at 2.35% APR for new and used 2008 and newer cars for 60 months results in payments of \$17.68 per \$1,000 borrowed. Refinancing subject to applicable registry title fees.

**Car Warranty Expired?**

The odds your vehicle will need an expensive repair increase with every passing year. Get affordable protection NOW with a AAA extended warranty.

- Coverage is offered for vehicles with up to 150,000 miles at the time of purchase
- You choose your level of protection
- Payment plans available with 0% financing

## From the Editor

I want to extend a special "Thank You" to all of our members who provided such great content and photos to make this issue so great! Looks like everyone was out having a great time now that the weather is cooling off a bit.

Porsche and local Race team Alex Job had a great showing at Petit LeMans at Road Atlanta, you can read about it on pages 18-20 and 27.

We have tons of events coming up. Be sure to check out the DE (page 11), Oktoberfest at Orlando Brewing (page 21), The Challenge Rally for Russel Home (page 15), and Oktoberfest BBQ and Concours (page 7).

And of course, the new 911 Carrera was unveiled, be sure to check it out on page 28-29.

As always, we would love an article and some picture of any special Porsche or car event you attend.

Travis Young - KineticFlow@mac.com

# President's Update

Are we ready for fall? I, for one, am looking forward to the season of Club Racing, DE's, autocrosses, and college football. Not always in that sequence mind you, but this year may not be the "year of the Gators" that I have grown used to anticipating during the Tebow-Meyer era. So with my freshly earned third place autocross trophy from the Parade in Savannah, I am ready to play in some more temperate weather. Fall also means the return of some of our more fortunate members from their summer homes away from the Florida heat. I will welcome them back, but please if you fall in this category, spare the rest of us the weather report that ordinarily accompanies news of your return.

In addition to our autocross dates, Daytona Club Race, the Florida Citrus Region DE, Cars and Breakfast, the Russell Home Rally, and our Holiday Party this fall, we had some new events that I hope you made plans to participate. We had a Kart Challenge scheduled where drivers from the Florida Citrus Region competed against each other and we had a portion of Park Avenue reserved for our Porsches on Park Avenue car show. Take a look at the calendar in the Spiel, check the details at our website, and stay tuned for our emails as the dates for these events approach and details continue to evolve. Mark those dates on your calendars now to make sure you don't miss a chance to play with your fellow members and enjoy your Porsches the way they were meant to be enjoyed.

I again wish to thank the everyone who advertises in our Spiel for your continued support. I hope that your business is enhanced and that your experience has been positively impacted by your relationship with Florida Citrus Region. If there is anything that I can do to create something better for you, please let me know. Additionally, I ask all of our members to consider doing business with those who are supporting our Region by their advertisements and sponsorships. Please don't forget to thank them as we rely on their continued support to be able to conduct the many activities we schedule.

I hope all of you are enjoying a healthy and prosperous year and I hope that you consider joining me and your fellow members at our upcoming events.

Steve Williamson - President - Citrus Region PCA

## Mille 2011 Porsche Extravaganza

The Mille 2011 and is a one day Porsche extravaganza at Atlanta Motor Speedway in Hampton, GA on November 5th 2011. There will be a World Record Attempt at the largest parade of Porsche cars ever. After the record parade, there will be a Porsche Concours d'elegance, Porsche Auto-cross, Porsche Track Lapping and a Porsche Swap Meet going on. We will be filling the race track bumper to bumper with Porsche for aerial photos. Porsche race cars are allowed on the street for the parade! We are also celebrating the world of the Porsche Aftermarket!

We are trying to have the largest parade of Porsche cars in the world. We are expecting over 1,000 Porsches and approximately 4-5,000 attendees. I'd love to invite you all to attend and bring your car(s)! We are aware of several caravans of Porsches coming from all over the country to this event!!

See <http://www.TheMille.com> for more information!

## Oktoberfest Concours, BBQ, and Swap Meet

Sunday, October 30 at F. Burton Smith Park in Cocoa, FL. We have been invited to join this event led by Space Coast Region PCA, with attendance by other PCA Regions. This event will introduce the Kirk Stowers Memorial Trophy for 1st place in the 356 concours. Setup will begin at 9:00 AM, with judging starting around 10:00 AM. Lunch around noon. Nominal fee of \$15 includes BBQ lunch.

They will have plenty of tables available for swap meet items - parts, literature, models, memorabilia, etc so bring your stuff. There will be many potential buyers.

This is a very enjoyable event. We need as many 356's as possible to honor Kirk. Mark it on your calendar.

Oct 14-16 Rennsport Reunion  
Laguna Seca, California  
**Dec 4 Holiday Party @ Double Tree Downtown Orlando**  
Dec 3-4 Drivers Ed and Club Race  
Roebbling Road  
**Dec 5 Monthly Meeting @ Porsche of Orlando**  
**Dec 10 Auto Cross @ Orange County Convention Center**  
**Events in bold represent FL Citrus sponsored events**

# *Porsche on North Park*

Article by Steve Williamson, Photos by Travis Young

Our Porsches on Park opened to misting skies early in the morning of Sunday September 18. Thirty nine of our members with brightly shined Porsches were not deterred by the threat of showers as we filled both sides of Park Avenue in the block south of Canton. Whenever we have a new type of event, I meet members for the first time which tells me that we have a membership with varied interests and that there are many ways to enjoy the passion of Porsche! Despite the threat of inclement weather, out came the polishing cloths and off went the bugs and rain drops, as Porsches on Park became an overwhelming success. Not only did we have a full field of varied cars, we also had a crowd of interested onlookers on north Park Avenue that at times had the Winter Park Concours feel and look! As the skies finally opened in the early afternoon, many of the spectators were sorry to see our party disband.

If you participated in Porsches on Park, I hope you enjoyed it and will consider it again next year. This event could not have happened without the spon-

sorship and support of North Park Avenue merchants and especially Scott Heisler and his staff at The Orlando Watch Company. Door prizes and winner's prizes were donated by the Doggie Door, Earth Inspired Living, Scott Laurent Wearable Art, Bistro on Park, Maravadi Salon, Spice and Tea Exchange, The Blue Door, Life Style Family Fitness, and Porsche of Orlando. Thanks to all of the merchants who sponsored this event and helped to make it a success!

The Winner of the People's Choice Award received a Luminox Navy Seal Watch and gift cards from the above merchants. The second and third place finishers received gift cards, hats and t-shirts. Congratulations go to:

1st Place	Rick Appelquist	1982 911 Targa
2nd Place	Charles New	2012 Boxster
3rd Place	Tom Greene	1973 911 RSR

## *Cars and Breakfast*

Article by Steve Williamson photos by George Shelton

Approximately 30 Citrus Region members and their guests enjoyed the hospitality and fellowship at our September 17 Cars and Breakfast at Route 46 Entertainment District. We had great food and great weather as we are now getting the first indication that fall is just around the corner. Unfortunately, in Central Florida that means that love bugs are probably making the ultimate sacrifice on the front of our cars. I overheard the advice of some home remedies to prevent lasting damage, but probably nothing beats a good coat of wax and daily diligence.

As always I want to thank the generosity of those who furnished the door prizes that were raffled to the group. Special thanks this time goes to Don at Route 46 for the gift certificates, the free memberships at Life Style Family Fitness from Tom, and Andrew at Porsche of Orlando for the new design shirts with the Citrus Region and PCA logos. Please thank these peo-

ple for their generosity and plan on doing business with them if you can.

If you have not as yet attended one of our Cars and Breakfast, watch our schedule of upcoming events and set aside that date on your calendar. We always have some new (to us) cars to look at and lies to tell at these low key events. Enjoy the photos and I look forward to seeing you there!

# *High Performance Karting*

Article by Steve Williamson, Photos by Nilo Argudin

More than twenty Citrus Region members gathered at the Walt Disney World Speedway on Saturday September 24 for our High Performance Karting Event hosted by Richard Petty Driving Experience. Our prior karting events have consisted of timed laps with bragging rights going to those with the quickest lap times. This event was different as it consisted of practice sessions, heat races and last chance races to qualify for a feature. The heat races and last chance race were double file standing starts. The feature was started with a double file rolling start complete with a pace car! Slightly organized mayhem! Having participated in the attempt at these starts before, I fully anticipated karts three and four wide spreading tire barriers as everyone would attempt to gain spots at the start. Fortunately, it all got sorted with minor pushing and shoving. I will attribute that to the skill and experience of our Citrus Region members who are used to these rolling starts! Congratulations go the Greg Barrows for winning the feature and a Rookie Driving Experience to drive a stock car later that afternoon.

After the karting, many of us took to the Speedway for touring laps of the track and a photo session. Along

with Greg, several others took advantage of the discounted pricing offered by Richard Petty Driving Experience to drive stock cars. The lure of the sound of those big V-8s is hard to ignore.

More information was made available about the plans to build a road course at the Walt Disney World Speedway to accommodate an exotic car driving experience. The news is that program will be available early in 2012. Thanks to Paul Jones for keeping us in the loop as I am looking forward to driving a Ferrari without the necessity of actually buying one!

Judging by the high fives, smiles, and shouts, I am confident that everyone who participated had a great time. Richard Petty Driving Experience runs these same karting events twice a month on Wednesday nights for anyone who wants to compete. If you are interested in the Wednesday night events, call 800 237 3889 for availability. Thanks also to Paul for helping to organize this event and, of course, GT, Dan, Billy, and Dustin for helping us have our fun.

## *2011 Petit Le Mans at Road Atlanta*

*Article and Photos by Scott Newman*

This year's American Le Mans Series Petit Le Mans race was run with delightfully cool autumn weather at one of the best tracks in North America at Road Atlanta. By the time I knew that I would be able to attend, all the parking passes for the Porsche Corral had been reserved, so my first task when I arrived at the track was to try to find a safe spot for my Cayman. I was immediately reminded again that I wasn't in Florida with some rather steep up-hill, down-dale roads in the infield.

The first thing to come into view as I crossed the bridge into the infield area was the Porscheplatz with an amazing array of different Porsches parked around the canopy. The Porscheplatz has a prime viewing location overlooking the downhill arrival to the corner

at the end of the back straight. The racers negotiate a sharp left corner, with a sweeping right-hand bend leading under the bridge, followed immediately by a steep descent to the right-hand sweeper on to the pit straight.

The field of race cars were parked on the pit straight before the start of the race with the race fans given the opportunity to view their favorite cars up close, and with many of the drivers also present. Sebastian Bourdais was in the cockpit of his Peugeot 908 for some last minute adjustments prior to the start.

At the start there was an immediate duel between the Audi R18 & Peugeot 908 turbo-diesels in an attempt to break away from the others. The diesel LMP1 rac-

ers were visibly quicker around the course than all the rest, but with the strange quiet turbo-diesel progress that keeps them from producing the wonderful exhaust notes of the rest of the racers, including the Porsche & other GT cars in the field.

In the GT field, the Porsche GT3 RSRs of the Flying Lizard team battled with the BMW Rahal Team M3 GT cars as well as an extensive number of Ferrari 458 & 360 GT cars. This intense engagement continued throughout the race, with the AF Corse Ferrari 458 prevailing at the finish.

The Porsche GT3 of Jorg Bergmeister and Patrick Long fought until the last lap with the Nr. 55 BMW, with the Flying Lizard Porsche taking second place in the GT class.

In the LMP1 class, the pole-winning Peugeot of Sebastian Bourdais came to a halt on the back straight, never to rejoin the race. The second Peugeot 908 driven by Sarrazin, Montagny, & Wurz came through to the win after both of the Team Joest Audi R18s fell to a series of mechanical problems and collisions with other racers.

# ORLANDO *Brewing*<sup>®</sup>

## *Oktoberfest at Orlando Brewing*

**Saturday, October 29, 2011, afternoon**

Your Citrus Region Porsche club will hold another event at Orlando Brewing on Saturday, October 29th beginning around 2pm. This year's event will be simultaneous with the release of the brewery's Oktoberfest beer and will be full of German cars, German food and German beer!

Orlando Brewing is the only organic brewery in Florida. PCA affiliates George and Cindy Cain will be hosting this event for the third year. Other car clubs are invited to make this an even bigger event! This year's event is being held in October to avoid the 90 degree Florida weather in May we have experienced the past two years.

Staging will begin for cars at 1pm and will feature a people's choice award and voting for all in attendance. A nominal car show entry fee will be charged

to benefit local charity organization First Harvest. Tours of the brewery will be held every hour.

Hungry? Gourmet food is available! The C&S brisket bus will be serving its famous brisket, along with a German-themed menu. C&S is currently talking with the Food Network because the food is THAT good (and reasonably priced). Food items will be available for purchase but C&S needs to know how many people will be eating to ensure that they have plenty of food.

Orlando Brewing is located near Downtown Orlando 1301 Atlanta Avenue, adjacent to the Orlando Amtrak Station.

Please RSVP to Laura Lee Shields [LauraLeeXOXO@aol.com](mailto:LauraLeeXOXO@aol.com) if you will be attending.

# Monthly Cars & Coffee

Article and Photos by Gary Merideth

The third Saturday morning of each month is Cars & Coffee Orlando time (Ocoee really). The concept was born from a desire to see cars that don't get out of the garage very often and August 20th's was successful on that score. There were several Porsche's and their owners that we don't often see.....a couple that have never been at a Citrus event before:

- Bill's silver 72 T Targa, found in a Kentucky chicken coup then fully restored
- A beautiful RSR longhood built from an SC tub
- An orange 1968 912 driven by its owners of 41 years

The day was especially gratifying for me, since three of the other makes attending were cars central to the original reason for Cars & Coffee, a 57 Olds 88 convertible, an SS454 Chevelle and a Lamborghini belonging to clients who rarely allow them out of the house. Great variety, great group of folks.

For directions, times and photos from previous months go to <http://carsandcoffeeorlando.snappages.com/>

**Editors Note:** While the Monthly Cars and Coffee event is not a PCA or club event, several club members attend and it looks to be a great way to spend a Saturday morning.

# August Meeting Notes

The August 8, 2011 meeting of the Florida Citrus Region of PCA was called to order at 7 PM by President Steve Williamson. The meeting was conducted at Porsche of Orlando 9590 S Highway 17-92 in Maitland and was attended by approximately 45 club members. No new members were in attendance. No Treasurer report was given due to our financial audit. President Williamson reported that the Region membership was at 524+. President Williamson also congratulated Travis Young for receiving 2nd place for our Spiel at the Porsche Parade for the 2011 PCA National Newsletter Contest. We also received awards at the Tech Quiz.

1st place in the 356 Women's Technical and Historical Quiz - Janet Reker

3rd place in the 356 Men's Technical and Historical Quiz - John Reker

10th place in the 911 (996 & 997), Boxster & Cayman Tech Quiz - David Wilson.

Congratulation to all our winners.

The Following were the topics of the meeting of future PCA events.

Cars and Breakfast at Route 46 on September 17th from 9:00 AM – 11:00 AM

Porsche on Park Avenue on September 18th

High Performance Kart Challenge On September 24th at 9am at the Richard Petty Driving Experience at Walt Disney World® SPEEDWAY

Daytona Club Race on October 07 – October 09

Rennsport Reunion on October 14 – 16 at Laguna Seca

Drivers Ed on October 22 – 23 at Roebeling Road Raceway

Space Coast - Oktoberfest Concours & Swap Meet on October 30th

Besides the future PCA events we also discussed our most recent PCA events.

Orlando Kart Center

Porsche Parade in Savannah

Steve also mentioned that we are always in need of articles for the spiel the meeting adjourned at 8:00 PM.

Nilo Argudin (Greycroc) - Secretary and Insurance Coordinator

## 912 & 912E Register

The overall goal of the PCA 912/912E Register is to involve as many 912 and 912E enthusiasts as possible in the many activities offered in PCA regions and zones. For news from PCA regions, factory news, videos, and various information articles that you can receive via internet and smartphone app:

# September Meeting Notes

The September 12, 2011 meeting of the Florida Citrus Region of PCA was called to order at 7 PM by President Steve Williamson a.k.a "Sally"

was conducted at Porsche of Orlando 9590 S Highway 17-92 in Maitland and was attended by approximately 45 club members. 4 new members were in attendance in and introduced them selves to the members. In attendance were also our new treasure and new vice president. Because of prior commitments our current treasurer and vice president had to step down from the board seat. Steve introduced the New Treasure Arden Griffith and Vernon Knoll our new Vice President. Both Arden and Vernon have been long time members to the club.

Treasurer report was given by Arden and reported a healthy account. President Williamson reported that the Region membership was at 524+. President Williamson also congratulated Travis Young for another upstanding Spiel newsletter. Steve mentioned that we were going to Brio Italian Bistro in Winter Park Village and anyone was welcome to join us.

The Following were the topics of the meeting of future PCA events.

Cars and Breakfast at Route 46 on September 17th from 9:00 AM – 11:00 AM

Porsche on Park Avenue on September 18th

High Performance Kart Challenge On September 24th at 9 A.M. at the Richard Petty Driving Experience at Walt Disney World® SPEEDWAY.

Autocross at Orlando Convention Center October 1 and December 10

## Alex Job Racing Second in GTC at ALMS Season Finale Petit Le Mans

Alex Job Racing (AJR) finished the American Le Mans Series Presented by Tequila Patrón season finale Petit Le Mans powered by Mazda second in the GTC class this evening.

Starting from the second row, Leh Keen, Charleston, South Carolina, wasted little time in driving the No. 23 Battery Tender/William Rast/Robert Graham/Alex Job Racing Porsche to the front of the GTC field. On his first pit stop on lap 22 for fuel under caution, he was exiting the pits and didn't see the red light at the end of pit road and proceeded onto the track. The result was a pit lane violation and a 60-second penalty that put the team down a lap. With some strong driving by Keen, and crafty strategy from the team, Keen was back on the lead lap by circuit 54. The team continued to swap the top three positions throughout the day and night as pit stops cycled. Brian Wong, Newport Beach, California did a long mid-day stint to keep the team at the front of the field. Bill Sweedler, Westport, Connecticut drew the late-afternoon shift and drove a flawless double stint to keep the Battery Tender Porsche in contention.

## *The new 911 Carrera*

Stuttgart. At 48, the Porsche 911 Carrera is younger than ever: The completely redesigned generation of the sports car icon is stepping into the limelight with its flat, stretched silhouette, exciting contours and precisely designed details, yet from the very first glance it remains unmistakably a 911. True to the 911 tradition, the distinctive Porsche design language with its tendons and muscles exudes power and elegance.

The 100 millimetre (~ 3.9 inches) longer wheelbase and reduced height combined with the up to 20-inch wheels underpin the athletic appearance. At the same time, the typical sports car compact exterior dimensions were retained. Seen from the front, the eye is drawn to the 911's trademark wide-arched wings. They emphasise the wider front track, so that the new 911 Carrera models sit even more solidly on the road. The remodelled exterior mirrors are accommodated on the upper edge of the door and not as before on the mirror triangle. Not only is this aerodynamically advantageous, it also emphasises the new design line and visual impression of width.

The all-new, lightweight body is an intelligent aluminium-steel construction. It is responsible for a significant proportion of the weight reduction of up to 45 kilograms. Combined with significantly greater rigidity. Aerodynamic optimisation – including a wider, variably extending rear spoiler – enabled the new 911 Carrera's lift to be reduced yet further while retaining a very good Cd value.

To complement the modern exterior design, the Porsche designers created an interior, the architecture of which takes its cue from the Porsche Carrera GT. The driver is now even more closely integrated with the cockpit thanks to the centre console rising up to the front with the high-mounted shift lever or gear selector located especially close to the steering wheel in typical motorsport fashion. Classic Porsche elements are also to be found inside, as they are on the outside: the instrument cluster with five round instruments – one of them a high resolution multifunction screen, the central rev counter and the ignition lock to the left of the steering wheel.

Setting the standard in its class, as it has for generations, the new 911 Carrera and Carrera S raise the

performance and efficiency bar yet another notch. All versions get by with significantly less than ten litres of fuel per 100 kilometres (28 mpg imp.). Fuel consumption and emissions are up to 16 per cent lower compared with its predecessor. Among other things, this is achieved by systems and functions such as auto start/stop, thermal management, electrical system

recuperation, the world's first seven-speed manual transmission and – in conjunction with the Porsche-Doppelkupplungsgetriebe (PDK) – sailing as it is called. The new electro-mechanical power steering offers not only Porsche's typical precision and feedback but also helps to increase efficiency and reduce fuel-consumption.
