

## Best Chili Cookoff Yet!

by Jim and Christie LaPiana

The Chili Cook-off this year was another fun event with a couple of new wrinkles. Orlando Brewing served three of their fantastic brews and door prizes were awarded for the first time. Lots of new faces mingled with the regular crowd. On a cold but perfect-for-a-Chili-Cook-Off night! Over 60 people attended and all were enthusiastic about the selection of chili (11 total), side dishes, and desserts. This year we had a special treat with **George and Cindy Cain** and **John Cheek** of Orlando Brewing supplying 3 varieties of their wonderful organic beer – Red Ale, Blonde Ale and Old Pelican.

- Best Hot Chili **Luanna Argudin** for "This Ain't Our First Rodeo Chili"
- Best Mild Chili **Jerry Smalley** for the Elk Chili
- Best Dessert **Connie Herbert** for the Nutty (Almond) Cracker Delights
- Best Side Dish **Lizette Dreyer** for her Corn Tart.
- First Place **Sue Belt** for the Greek Salad
- Second Place

The House Chili (Chernobyl Chili) got some attention this year winning one more vote than its closest rival in the Hot category. We would like to thank everyone who helped us with the event and a special thanks to **Emilio Cortes** and the dealership for hosting the event again this year.

Finally, thank you to our generous prize sponsors, including Grass Roots Motorsports (6 months magazine subscriptions) Orlando Brewing for the Grand Prize Brewery Tour and T-Shirts and Porsche of Orlando for the great Porsche Bears and Shirts.

## PCA Members Enjoy Sebring Porscheplatz

Over 175 Porsches filled the Porsche Corral Saturday, race day at Sebring. Volunteers from several Clubs, manned the function headed by Jennifer Barrows, Zone 12 Representative. Friday, there were parade laps, driver autographs, presentations and a Flying Lizard tour. Saturday included raffle drawings and watching the race in the tent on big screen TV.

## Presidents Update

We're still trying to balance delivery time, cost (and manpower required to print and prep) for Spiel mailings. Apologies to those of you who received the March issue later than usual (it took 3 weeks for mine to arrive). Hopefully, this April issue has reached you earlier in the month and the Post Office has worked out its problems. The same kind of mailing took one week for the February issue.

Our own Florida Citrus Region PCA "Goodie Store" is now open for your patronage. Go to our website at <http://flc.pca.org> and click on "FL Citrus PCA Merchandise" or go direct to <http://fcrpca.clubstore.us.com>. The selection is fabulous and the prices very reasonable. Give the site a look and perhaps buy a shirt or cap with our logo embroidered. You can just buy 1 item or many at any time.

I traveled down to Sebring very early Saturday morning to enjoy my traditional walk through the paddock to see the prep of the cars and the frenzy of driving the cars onto the grid through the crowd. There were fewer cars and it also seemed less crowded but the energy and buzz of this 50+ year event was still there. And the Porscheplatz, organized by our Zone Rep Jennifer Barrows, was a big hit with over 175 Porsches in the corral. Although the Porsches in the highly competitive GT2 Class disappointed due to some bad luck (see article page 1), the marque won LMP2 and GTC classes. Thanks to **Steve Williamson, Bob Hermann, Greg Barrows and Miles Beach** for doing volunteer duty at the Porscheplatz.

We've got a nice Tour and lunch planned for April 11. And don't forget to plan to attend Zonefest Memorial Day weekend in Mt. Dora (see the flyer and entry form). And if you're new to the Club, come out to one of our meetings on the first Monday of each month at Porsche of Orlando at 7pm. We have some lively conversations sharing our passion about our cars!

## Winter Park Tour - April 11th

On Sunday, April 11th a Tour of "Winter Park and Environs" will start at the Winter Park Village on 17-92 and finish across the street at the Olive Garden for lunch. We'll meet at 11am at the east end of the Cheesecake Factory parking lot and depart between 11:30 and 11:45. The instruction sheet is simple enough to be used by a single pilot but having a navigator would be easier.

Directions to Meeting Place: Take I4 East or West to Lee Rd. Head east to 17-92 where a right turn to Webster brings you to the Cheesecake Factory. Their address for Mapquest is 520 N Orlando Ave., WP 32789, 407-644-4220 Lunch at Olive Garden, 665 N Orlando Ave, WP 32789, 407-740-7117

# Wine Tour (Beer Tour?)

Jan 23rd at SE Performance

Article by Sue Belt, Photos by Nilo Argudin

Strawberry Winery Tour during the 'best' time of the season.

Unfortunately, the strawberries matured at the wrong time. Or at least it may have appeared so to those who set out on the Wine Tour Sunday, March 7th. The Strawberry Festival had traffic backed up a long way on east I4 but thankfully, the exit to the Keel & Curley winery was the next one on west I4. However, a number of frustrated Festival hopefuls must have given up and headed to the winery instead. When we arrived, parking was nil and the lines were long for a tasting. And their heralded Blueberry wine was not available. A few of us waited out the lines but a few also headed to the cooler for a frosty beer!

## Chili Cook-Off Recipes

### Greek Salad (by Sue Belt)

Greek Salad: 2 bags Romaine Lettuce; dash or regular iceberg lettuce, too. Grape or cherry tomatoes; cucumber slices; sliced yellow and red bell peppers; red/purple onion-thin slices; small pitted ripe black olives; julienne carrot strips; lots of crumbled Feta cheese; Kraft Greek Vinaigrette Dressing and Marinade. Optional: mild banana peppers

### Nutty (Almond) Cracker Delights (by Connie Herbert)

45 Club crackers (2-1/2 inches x 1 inch)  
1/2 cup (1 stick) butter or margarine (I used butter)  
1/2 cup granulated sugar  
1 tsp vanilla extract  
1 cup slivered almonds

Place crackers in a single layer on a foil-lined 15x10x1 inch baking pan. In a small saucepan over medium heat, melt butter. Add sugar, bring to a boil, still on medium heat, stirring constantly. Boil for two minutes. Remove from the heat, add vanilla. Pour evenly over crackers (drizzle and then spread with back of spoon or knife to cover). Sprinkle with nuts.

Bake at 350 for 12-15 minutes, or until lightly browned. Immediately remove from the pan, cutting between crackers if necessary, and cool on wire racks. Store in an airtight container. Yield: 3 1/2 dozen

### Chernobyl Chili (by Jim LaPiana)

3	Lbs.	Ground Beef (Lean)	16	Oz.	Can Tomato Sauce
2	Cups	Bourbon (May substitute Tequila or Mexican Beer)	32	Oz.	Can Whole Tomatoes (Chopped)
4-6	Large	Sweet Onions (Chopped – chunky)	(2) 16	Oz.	Cans Hot Chili Beans (Bush's Best)
3-4	Med.	Bell Peppers (Chopped)	(2) 16	Oz.	Cans Pinto Beans (Bush's Best)
6	Cloves	Garlic (Minced)	16	Oz.	Jar Jalapeño Peppers (Chopped or Sliced)
8-12	Oz.	Sugar	1/2	Tsp.	Fresh Ground Black Pepper
1	Tbsp.	Cayenne Pepper	2	Tbsp.	Olive Oil

Sauté peppers and 1/2 onions with 1/2 jar of jalapeño juice and olive oil, until onions are translucent. Add sugar, tomatoes and tomato sauce, beans and bourbon, stir and simmer on low heat.

Brown ground beef, the other half of the onions garlic and peppers. Drain and add to the veggies.

Simmer on low heat or in Crock Pot for 2-3 hours.

# Porsche Wins LMP2, GTC at Sebring

*Porsche shows strong at Sebring*

*Porsche Wins several classes at Sebring*

article (excerpted) and photos from AmericanLemans.com

Greg Pickett, Klaus Graf and Sascha Maassen won in LMP2 at the 58th Mobil 1 Twelve Hours of Sebring for Muscle Milk Team CytoSport. Their Porsche RS Spyder won by three laps over the Patrón Highcroft Racing HPD ARX-01c, which led until an electrical problem inside four hours to go set them back.

It marked Porsche's second Sebring class victory for the RS Spyder, which made its first 12 Hours start in 2006. Penske Racing won overall in 2008, and Saturday's win by CytoSport was the first time an independent team won in North America with the prototype.

*AJR GTC GT3 Cup Porsche*

Alexander Wurz's outlap after his final stop was quick enough for an overall victory for himself and Team Peugeot Total teammates in the LMP1 class. Wurz drove his diesel-powered Peugeot 908 HDi FAP to a 13.817-second win, a first in the event for the famed French marque.

Risi Competizione won in GT2, the team's sixth straight victory in a major endurance race and took a one-lap victory in their Ferrari F430 GT over BMW Rahal Letterman Racing's two BMW M3s, which swapped positions on the last turn of the last lap.

The fight in GT2 was a fantastic scrap before attrition started to take its toll. Team Falken Tire led early on in its Porsche and had two wheels come off on consecutive laps. The second hit the then-second-place Flying Lizard Motorsports Porsche, which lost three laps in the pits. Corvette Racing's two Corvettes collided in pit lane when one Corvette C6.R tried to leave its pit box and another came in simultaneously. That left the Risi Ferrari and two BMWs to duke it out.

*Porsche LMP2 RS Spyder*

Alex Job Racing made a triumphant return to the Series with a sweep of the GT Challenge podium. Butch Leitzinger, Juan Gonzalez and Leh Keen won by three laps over the sister car of Bill Sweedler, Romeo Kapudija and Jan-Dirk Lueders. AJR, based in nearly Tavares, Fla., won at Sebring for the sixth time. All of Alex Job's victories in the famed race have come with Porsches. Ricardo Gonzalez, Luis Diaz and Patrick Kelly drove the third AJR car.

"The last 12 hours have been really intense," Keen said. "I have to give it to Alex. He really knows what he's doing. He put together some great GTC cars for us. There was not a mark on the car. All the guys did an awesome job."

# Amelia Island Concours Features Porsche 917

13 Porsche race cars were on display at the Amelia Island Concours – 10 917's, a 1979 935, a 1969 911S and a 1968 907

This 1970 917 was displayed by Dr. Julio Palmaz of Napa California at this years Amelia Island Concours. Porsche had been competing at the 24 Hours of Le Mans since the 1950's and had achieved numerous class wins. They did not, however, have a model powerful enough to vie for the overall win – until the 917 came out. This example, driven by Richard Attwood and Hans Herrman gave Porsche its first overall win at the Sarthe circuit. This car produced over 600 hp from its flat 12-cylinder power plant and was capable of well over 200 mph down the Mulsanne Straight.

*All text and photos from Porschebahn Weblog*

To the right are the five Porsche 356's that were displayed at this years Amelia Island Concours. From the top they include a 1959 356A Cabrio, 1955 Continental Cabrio, 1952 Glockler-Porsche 356 Roadster, 1964 356 SC Cabrio and a 1957 Speedster.

*HSR, SVRA, and 12 Hours of Sebring*

*Recap of 3  
March Club  
Race Events*

The Historic Sports Car (HSR) racing season opener at Sebring International Raceway March 7 and 8 got off to a great start with nearly 200 vintage and classic cars featured in nine classes competing over three days. Lots of track time and exciting, close racing was part of the weekend fare.

Ron Zitza, longtime Club member and racer, and his co-driver were leading the Porsche Cayman race when the brakes decided to fail but they still ended up on the podium in 3rd place!. Ron won last year's HSR Heralded Hall of Fame award (see photo). Two other racers who Ron supports ran their first three hour enduro and came in third. Ron and Brad Blum were first in class and third overall in their enduro.

SportsCar Vintage Racing Association (SVRA) races were also conducted at Sebring during the 12 hour race week. Ron Branom and Ron Zitza were first in class and eighth overall out of 72 cars in the one hour enduro. Nort Northam and Ron Z. were also 1st in class and 14th overall out of 72 cars. Nort had a real battle with an MBGT but won. He also won his sprint race.

Friday's eight lap sprint race went to Ron Branom, first in class. Sid Collins, also a long time Club member and owner of Troysport reports that he participated in a Vintage Car Club of America (VDCA) event at Road Atlanta February 20 and 21st. Sid won his endurance and sprint races in his number 68 911.

And Robert Demetrius and Doug Longhorn from the Crown Region were other participants. The VDCA is somewhat similar to SVRA racing but is lower key and gives no trophies. You might say it's entry-level historic racing.

## Porsche #1 in Dependability

*Porsche takes top spot in dependability study*

*From Porsche Press Release*

The vehicles produced by Dr. Ing. h.c. F. Porsche AG, Stuttgart, continue to meet the highest quality standards in the USA, which is the company's largest export market. This conclusion was drawn from the results of the most recent public opinion survey, the "Vehicle Dependability Study", conducted by the US market research company J.D. Power and announced yesterday. The study ranked Porsche number one. More than 52,000 responses from original owners were evaluated for the study.

In the prestigious brand survey, original owners of 3-year-old cars were surveyed with regard to dependability within the last twelve months. Michael Macht, Chief Executive Officer of Dr. Ing. h.c. F. Porsche AG, stated, "We are very pleased to be ranked number one with regard to dependability in the renowned J.D. Power Vehicle Dependability Study. This ranking is due to our consistent high-quality work and customer orientation, and is a testament to the hard work of Porsche's employees over the last few years. This award shows that our sustainability strategy is paying off. The challenge is not about achieving a high quality standard for the short term, but to assure such quality over a period of many years. The fact that we received this award reflects the satisfaction of Porsche customers with the quality of the used vehicle – and we are very proud of that."

Porsche's Lead into the Future*

Porsche Press Release

**Porsche 911 GT3 R Hybrid: Porsche  
Intelligent Performance**

110 years ago, Ferdinand Porsche developed the first vehicle with hybrid drive. Porsche now takes up this visionary concept in racing with the 911 GT3 R Hybrid. The race car, which contests the Nürburgring 24 Hours, features a 480 hp boxer rear engine, plus two electric motors on the front axle.

*Porsche Hybrids combine amazing performance and fuel economy.*

Charged during braking, each flywheel generator supplies 60 kW (ca. 80 hp). An intelligent electronic control utilizes the stored energy predominantly to reduce fuel consumption. When overtaking, drivers can call up this additional power for six to eight seconds at the press of a button. On March 2nd, the 911 GT3 R Hybrid celebrated its debut at the Geneva Motor Show.

**All-new SUV debuts with more room, technology, performance, and significantly less weight and fuel consumption**

Led by a technologically advanced full hybrid model, the all-new, next-generation Porsche Cayenne sport-utility vehicle will debut at the Geneva motor show in early March. In line with the Porsche Intelligent Performance philosophy, the entire range, from the entry level Cayenne with a V6 engine to the 500-horsepower Cayenne Turbo, all deliver improved performance while using less fuel and producing fewer emissions than ever before.

The New Porsche Cayenne will make its North American debut at the New York International Auto Show. The Cayenne S and Cayenne Turbo go on sale in July as a 2011 model, and U.S. pricing will be announced soon. Porsche dealerships will offer the Cayenne and Cayenne S Hybrid in the fall.

The performance of a V8 with the fuel efficiency of a V6. The highlight is the new Cayenne S Hybrid featuring a highly sophisticated parallel full hybrid drive system. With a combined power output of 380 horsepower from the supercharged V6 combustion engine and an electric motor, the Cayenne S Hybrid combines the performance of a V8 with the economy of a V6.

Through continuous interaction between the 3.0-liter supercharged V6 and electric motor, the Cayenne S Hybrid focuses on maximum efficiency. Depending on driving conditions, either drive unit can operate independently or together. The 47-horsepower (34 kW) electric motor is the ideal partner for the 333-horsepower engine, which produces high torque at low engine speeds. With peak torque at 427 lb-ft at just 1,000 rpm, the Cayenne S Hybrid's performance is on par with a V8-powered Cayenne S.

The entry-level Cayenne with its 300-horsepower 3.6-liter V6 engine and mated to the new eight-speed Tiptronic S automatic transmission consumes 20 percent less fuel in the New European Driving Cycle than its predecessor.

## Meeting Minutes - March 2010

The Florida Citrus Region PCA Club Meeting was called to order by President Chuck Hennings at 7PM at Porsche of Orlando on 17-92 in Maitland. The meeting was attended by approximately 40 members with two new members being introduced. Chuck Hennings reported that the membership remains numbering 500 without a significant decline even during a poor economy.

Club Treasurer Pete Brotsch reported that the club remains financially sound having benefitted from the income generated by the February DE.

DE Chair Ross Evers reported a successful event that included 153 drivers for the weekend events and that 22 new instructors were qualified on Friday before the DE. Social activities on Friday and Saturday evenings were enjoyed by all who attended. Florida Citrus Region PCA shirts were designed for this event. Contact Ross or Genie Evers for availability.

The February autocross was conducted in Lake County with approximately 25 cars participating in a cold and wet event. Despite the small turnout and inclement weather, several new drivers experienced their first autocross.

Our webmaster Mel Saiz reported progress is being made as he transitions into his new position. Updated information and new photographs are items on the agenda.

The Chili Cook-Off was well attended by 70+ members and guests. Thanks to all who brought contributions of chili, sides, and desserts. Door prizes were awarded to winners of the competition and raffle participants. Appreciation was also extended to the LaPianas who organized the event.

A small group of members and their guests participated in the Wine Tour to Lake County where a variety of wines were sampled.

Some ideas were discussed about the possibility of modifying the Spiel to make it a bi-monthly publication, or possibly making the Spiel available only through the website, or possibly some combination. Feedback on suggestions were welcomed with likely no action being taken this year.

Our club's racers were successful in a variety of events at Sebring and other venues within the last month. Upcoming events at Sebring prior to and during the 12 Hour will be supported by our club members including the race events on Friday and the Porsche Platz.

Registration is open for the Sunrise to Sunset Rally on [www.clubregistration.net](http://www.clubregistration.net) ZoneFest will be conducted May 28-29-30-31 in Mount Dora. The Lakeside Inn [info@lakeside-inn.com](mailto:info@lakeside-inn.com) or Nort Northam 407 647 1911 may be contacted for information and registration.

President Chuck Hennings adjourned the meeting at 7:45.

Respectfully submitted,

Steve Williamson  
Secretary and Insurance Liason
