## **The 345 hp part is no surprise. The 27 mpg part tends to be a different story.**

It was born from a motorsports legacy of winning not through sheer power, but by getting more from less. Precise, agile and efficient, the 911 remains true to its guiding principles by utilizing the most advanced technologies. Like the available Porsche Doppelkupplung (PDK), which provides faster acceleration while using less fuel. And Direct Fuel Injection (DFI), VarioCam Plus and lightweight materials all contribute to outstanding performance with more fuel efficiency. Some call it surprising. We call it Porsche Intelligent Performance. Porsche. There is no substitute.

# President's Update

Top-down weather has finally arrived and taking the Porsche for a nice drive is far more enjoyable. Those that attended the Space Coast Picnic near Cocoa on October 24th participated in some of that enjoyment plus a great meal, Concours and Swap Meet. Thanks to our great neighbors from Space Coast! More driving fun is planned Sunday, November 14 at our Challenge Rally and a driving Tour is planned January 16 (See the Calendar for all events). The October Driver's Ed event at Roebling Road was also blessed with ideal weather and a full cadre of participants. Ross Evers and Bert Del Villano and their volunteer staff organized a fun, safe time for about 130 drivers. Many smiling faces were observed over the weekend.

It's time for marking Saturday evening, December 11th on your calendars, iPhones, Blackberries, iPads, etc. It's our Holiday Party at the Sonesta Hotel on Lake Ivanhoe and a terrific evening is planned, including a special guest speaker. I guarantee a very affordable (low) price per person, so mark down that date now as I'm sure other year-end events will be available to you.

As you can see in the latest issues of the Spiel, our advertisers have significantly increased (due to the dramatic rise in Spiel quality by our Editor Travis Young). Please utilize the products and services of the advertisers or express your appreciation for their support of our Club. I received an email from Marie Zitz, who along with husband Ron run Zotz Racing and have been Spiel advertisers for as long as I can remember. Their son Eric, who a lot of us see at their shop

or at DEs, is scheduled for a heart surgery procedure February 10th and will be doing tests and surgery preps between now and then. Ron's Dad, Harro also just received news that his cancer has returned. So please keep the Zitzas in your prayers.

Finally, Bobby Rahal's Legends of Motorsports is putting on an event at Sebring, December 3-5. It promises great historic car racing on the famed track. A Porsche Corral is also planned. For more information, go to legendsofmotorsports.com or contact Jennifer Barrows at jbarrows@legendsofmotorsports.com.

# Meeting Minutes

## October 2010

Club President Chuck Hennings called the October 4 meeting of the Florida Citrus Region of the Porsche Club of America to order at 7 PM. The meeting was conducted at Porsche of Orlando on 17-92 in Maitland. The meeting was attended by approximately 60 members and their guests.

No new members were introduced at this meeting. President Hennings reported that the current membership numbers approximately 510.

Treasurer Pete Brotsch brought the membership up to date on the current financial status of the Club. The Club remains financially solvent with some expenses anticipated for the end of the year events.

Travis Young reported on the current status of the Spiel. Most members had received their current copies. Travis was congratulated on his efforts in expanding the content and use of color in the Club's newsletter. As the newsletter becomes more and more a magazine, articles are requested from our members and others concerning anything Porsche.

Webmaster Mel Saiz reported on the updated website and invited members to use the site for information concerning Club activities and the calendar for upcoming events. Mel was also thanked for his efforts in maintaining the Club's website.

Vice-President Bert Del Villano reported on our upcoming October DE at Roebing Road, noting that registrations are now at capacity. Bert also reported that registrations were open for the autocross on October 30 at the Orange County Convention Center. This autocross will combine both Lady's Day and the Space Coast Challenge as ladies drive free and our club competes against the Space Coast Region. Registration is available at [www.clubregistration.net](http://www.clubregistration.net)

Nort Northam will be presenting the nominated slate of 2011 Club officers to the Secretary prior to October 20. Additional nominations may be made at any time until the November meeting at which time voting for the officers will take place.

Jennifer Barrows provided information concerning the Legends of Motorsports event at Sebring December 3-5. Planned activities associated with the Club will include a car corral and touring laps. Tickets and additional information is found at the Legends of Motorsport and Sebring website. ([www.sebringraceway.com](http://www.sebringraceway.com))

John Reker relived his and Jan's hillclimb experience in Cleveland, Ohio. Nine days, a hillclimb, and 2,500 miles in his 356! Congratulations John, Jan and all who enjoy their cars.

The meeting adjourned at 7:45 PM.

## Space Coast Picnic

Well - Attended by Citrus

**photos and article by Chuck Hennings**

A quick count of 110 folks (about 1/3 from Citrus) illustrated how great weather, good food and special cars guaranteed a successful event. Space Coast Region leaders Ralph Fritsche, Steve Hoffman, David O'Neal and Tom Gorsuch put together a fun picnic which included a Concours competition, a Swap Meet, and a delicious meal at F. Burton Smith Park off SR520, near Cocoa.

Citrus members also took away a lot of Concours awards. Greg and Jennifer Barrows, Ron Folden, Rick and Joyce Applequist and Mike Winn were winners. And John Reker won Best in Show with his beautifully restored 356.

Beautiful weekend at Roebling Road

by Jim Breeden

photos by Jim Breenden and Travis Young

Friday morning dawned cool and blue and was a good sign for a top down trip from Leesburg to Exit 104 outside of Savannah, Georgia for the Florida Citrus hosted driver's education weekend at Roebling Road Raceway. This weather would hold throughout the weekend and, by some accounts from several of

the veterans, the best ever. There was a fullhouse of entrants in all classes who enjoyed wings and pizza and GREAT beer Friday evening after "teching" their cars. Saturday provided the same great weather and an early 7:45 driver's meeting was met with plenty of enthusiasm. My 20 year old son, Austin, was attending his second DE in his '01 Speed Yellow Boxster(that might be the reason there are so many photos of his

car) and was assisted by a crew of one and technical expertise from Sid and Rick of TROYSPORT. This past February we shared his car, with him in the Green novice group and me in the Blue novice group. That DE turned into a real grade school fire drill what with us following one another, changing instructors, helmets and CAR Numbers and having any time left to track the car! So this DE found me as the crew member BUT I was able to shoot a lot of photos and socialize more.

After and all to short Saturday on the track, most everyone joined in at the Cancun restaurant for food, drink and music but no football on the tubes above the bar. Just as well for those Gator fans.

Sunday, weather wise was perfect, and the well run event continued with more sessions than Saturday. Austin's skills improved and his instructor recommended him to move into the Blue group. So we await the next DE.

Great weekend! Tom Briest won the Classic GT championship, and Brad won the Historic Championship- Tom also won Rookie of the year, 2nd in the Klub Sport Challenge by 1 point, and Zotz Racing was awarded "Team Excellence" for the year. There were 11 awards between Tom, Brad, and Ron. As for the rest of the weekend, Terry Wolters had a trip to the podium, Chris Brubaker was there to help us with strategy in the 4 hour enduro and Richard Sneed was back in the saddle again. Now it is time to get ready for the 13 Hr at VIR! (Ron and Chris won the 13 hour overall & class in 2006)
