President's Update

by Lyn Perez - Club President

We are off to a new and busy year. Already the 2015 calendar has a full slate of events. German Excellence is sponsoring a full year's schedule of Auto-cross events for the Florida Citrus Club. The first half of the year's schedule is set for January 18th, March 15, April 5, May 17 and June 7 at the Lake County Sheriffs facilities in Tavares. Watch Clubregistration.net for open registration. We are accepting registrations for the January event so please sign up now.

Our High Performance Drivers Education will kick off with a seminar for new drivers on January 17th at Zotz Racing. This is an introduction seminar about HPDE for anyone interested in knowing what it takes to prepare and to become involved with driving their P-Car on a race track. Registration is at clubregistration.net. This event precedes our Instructor day and HPDE event for all drivers at Roebing Road Raceway February 13-15th. Registration is open for these events on clubregistration.net so please sign up today. All level of drivers are welcome. Instructors are provided for new drivers.

Also, Florida Citrus Porsche Club will join other Regional PCA clubs in sponsoring the Porsche Corral at the Rolex 24 Hours January 22-25th at the Daytona International Speedway. There will be refreshments and plenty of activities at the Corral during the race weekend so plan to come by and participate. Advance parking passes are required to park in the corral.

On January 29th through February 1st is the 48 Hours at Sebring, the largest PCA Club Race of the year. Additionally there will be a Driver's Education opportunity to drive the track during the weekend for advanced drivers. For racers or drivers you need to register in advance. For observers, you can make it a day trip to Sebring to watch and just enjoy watching the races free of charge. The paddock and viewing areas are open to the public.

The annual Chili Cook Off will be held on February 7th at Porsche of Orlando, 7:00 pm.

For our rally enthusiasts, we are planning two Chal-

lenge Rally's this year, the first on March 1st. These fun rally's, driving the back roads of Central Florida benefit our clubs charity, the Russell Home for Atypical Children. Please place this event on your calendar. Additional information will be sent to you via our club email.

Please remember our monthly meetings. We normally meet the first Monday of each month and our meetings are held at either Porsche of Orlando in Maitland or Southeast Performance in Winter Park. Watch our web site and your email for an announcement of the location of the next meeting. All meetings are followed by dinner at a local restaurant.

HPDE Seminar

On January 17th, 2015, Ron Zitz and Zitz Autowerks, will host members of the Florida Citrus Region PCA and their guests for a seminar "An Introduction to Driver's Education". If you are new to High Performance Drivers Education or if you have ever thought about registering for a track event to learn to drive your Porsche on one of the major speedways like Sebring, Road Atlanta or Homestead, this is an opportunity to learn what High Performance Drivers Education is all about.

Please register at www.clubregistration.net

For advanced drivers, there will be a separate presentation on advanced driving techniques and an introduction to using data systems to improve driving performance.

Zitz Racing and Autowerks is located at 6625 Edgewater Drive, Unit A Orlando, FL, 32810. The program begins at 9:00. Refreshments will be provided.

Member contact information is very important if you want to continue receiving the "Panorama", the "Citrus Spiel" or any e-mails about upcoming region events. This contact information is maintained on the member database at PCA.

There are three ways to update this information: Call PCA at (410) 381-0911, on the web at www.pca.org, or send information to Bill at daviswm@cfl.rr.com

Holiday Party 2014

by Lyn Perez
photos by Jim LaPiana

More than 100 members joined together at Southeast Performance in Winter park to celebrate the Holidays at our annual Holiday Party. Rick Vimmerstedt, our hoist at Southeast Performance catered the event with a variety of meats and a food selection that was fabulous. Also, there was plenty of delicious hor d'oeuvres, drink and dessert choices.

The party was the concluding event of the 40th Anniversary year for the Florida Citrus Porsche Club and all past presidents and club officers in attendance were recognized. Sue Belt who concluded her service as Secretary of the club was presented a framed Certificate of Appreciation and Lisa Lewis, club Vice President was awarded for the second year in a row, the Enthusiast of the Year award.

Also recognized were all our volunteers for the numerous events that the club sponsored throughout the year including Zonefest in Mount Dora and the Porsche Escape to Magical Orlando. The evening concluded with a raffle of shirts, 40th Anniversary commemorative glasses and other items.

In addition the club collected contributions and toys for the Russell Home for atypical Children. Close to \$3000 was collected along with a large box of toys.

We thank Bert and Anne Del Villano for the party planning and administration. It was a great time of fellowship and celebration. Can't wait for next year.

2015 Cayenne GTS

Stuttgart. The new Cayenne GTS announces its outstanding sporting character in its very name. The letters GTS go back to the famous 904 Carrera GTS of 1963. In 2007, the Cayenne GTS became the first Porsche of the modern era to revive the acronym. Since then GTS has stood at Porsche for especially sporty models. At the same time, the new entry-level model with the familiar 3.6-litre V6 petrol engine rounds off the Cayenne portfolio at the lower end of the range.

It is not only the name of the Cayenne GTS that is resonant. The 3.6-litre V6 bi-turbo engine is the performance-oriented enhancement of the new power unit presented in the Cayenne S. Its consumption is lower and it delivers improved levels of performance. Compared to the previous model with a V8 naturally aspirated engine, power output rises by 20 hp to 440 hp and torque by 85 Nm to 600 Nm, while fuel consumption goes down by up to 0.9 l/100 km. The Cayenne GTS accelerates from 0 to 100 km/h in 5.2 seconds, or just 5.1 seconds with the optional Sport Chrono package. That's 0.5 and 0.6 seconds respectively less than the previous model. Top speed is 262 km/h. As standard it has a sports exhaust system, which provides the familiarly meaty GTS sound.

Thanks not least to its suspension the Cayenne GTS captivates drivers with its unmistakable lateral dynamics. The Porsche Active Suspension Management (PASM) damping system has a sporty set-up. With the standard steel-spring suspension the vehicle sits 24 millimetres lower, while with the optional air suspension it's 20 millimetres. Further standard features include the brakes from the Cayenne Turbo with 390-millimetre discs on the front axle (358 millimetres at the back), inclusive of brake callipers painted red in typical turbo fashion.

Other design attributes also turn the Cayenne GTS externally into a sporty vehicle. As standard it has the turbo nose section with large air intakes and the Sport Design package, including more contoured side sills and wheel arch extensions. The latter, like the roof spoiler and lower rear of the vehicle, are painted in the car body colour. The colour black provides some striking contrasts: all lettering is black, as are the 20-inch wheels in the RS Spyder design, the exhaust tailpipes, the bi-xenon headlights' inner apertures and the fittings of the darkened LED rear lights. There's a new feature on the front doors: striking GTS lettering.

The sporting character continues on the inside. Eight-way electrically adjustable GTS sports seats in leather/Alcantara upholstery, including GTS lettering on the headrests, are fitted as standard. Alcantara is the predominant upholstery material used inside the car. The interior GTS package is optionally available in carmine red or rhodium silver with rev counter face, decorative stitching, headrest lettering and safety belts in contrasting colour.

The engine used in the Cayenne, the new base model, is the familiar 3.6-litre V6 naturally aspirated engine, delivering 300 hp. It accelerates the Cayenne from 0 to 100 km/h in 7.7 seconds – 7.6 seconds with the optional Sport Chrono package. That's 0.2 seconds faster than before. At 230 km/h, top speed matches the level of the previous model.

Compared to the previous model the new Cayenne also offers more comprehensive standard features. In

addition to the new eight-speed Tiptronic S with Auto Stop/Start and coasting functions these also include, for instance, the bi-xenon main headlights with four-point LED daytime driving lights, the multi-function sports steering wheel with paddle switches and the automatic boot lid.

**MINUTES OF THE
Florida Citrus Region Porsche Club of America
Monthly Meeting
Location: SE PERFORMANCE, Winter Park
December 1, 2014**

Officers present: Lyn Perez, President; Lisa Lewis, VP; and Sue Belt, Secretary; Also present: about 60 Members.

The meeting was called to order by President Lyn Perez who pointed out the standing reports on the agenda. Financially we are at \$62,773.16 plus \$15,483.62 for Club Race and \$11,239.44 in CR.net, that includes \$7,819.04 for Escape 2014. A full accounting for Escape expenses will be provided at the next meeting. Membership is at 946, (580 PM; 366SM). New members at the meeting were Gary Everly and Mark Hide.

Old Business

- Lyn reported that Escape 2014 was lots of work and thanked all who were involved. He thanked the drive leaders who took groups to various attractions. We received a lot of positive feedback from our participants. Special thanks to Lisa and volunteers Karen and Jane. It was our first dabbling in a national event.
- No one from FLC attended the Cars & Couture in Tampa.
- Jane reported on the Winter Park Concours where she volunteered parking cars and heard good feedback from guests. Car owners liked the wider layout on the golf course this year to show their cars. Winners got to talk about their cars to the attendees. Event planners had hoped for 10-11,000 guests. They are trying to attract more important cars for a more national/international event.
- John Hurst, HSR Chaplin, said that about 1/3 of the drivers at the Nov. 15-16 HSR in Daytona were from Europe. There were 11 962s the most ever assembled at one race. It all ran like clockwork. There were six run groups which ran 4 times each in 45 minute stints. Hurley Haywood and other top drivers past and present attended. They want about two years between the events now. The weather was great. Ron Branom, Randy Proudfit and Ron Zitza also won their races.

Upcoming Events

- Dec 5-7 is the last HSR race of the year and it being held at Sebring.
- Dec 7 is the Festival of Speed at the Ritz Carlton with a \$20 entry fee. Nort says it's a nice event.
- Dec 7- Our Holiday Party will be held at Ricks Southeast Performance Center on Solano Ave. \$40per person includes drink, appetizer and meal. The event is sold out.. It's our final celebration of Fla. Citrus 40 years recognizing all past Presidents. There will be awards handed out and it's a nice time to dress up festively.
- Jan 9-11 is the Roar before the 24.
- Jan 17th is a DE Seminar at Zotz Racing conducted by owner Ron Zitza. This seminar is designed for the person wanting to know more about or High Performance Drivers Education program and what it takes to register and to prepare for a weekend HPDE event.
- Jan 18th is the start of the Autocross series in Tavares. Six events are scheduled for the first half of the year. Register at clubregistration.net \$30 vs. \$35 at the event if you are not registered. We are purchasing an LCD display so attendees

can view standings.

- Jan 22-25 is the Rolex 24 hour race at Daytona. We need volunteer help for the Corral and parking. Corral tickets are sold out so if you choose to attend ur corral pass. Also all infield parking is sold out unless you buy a 4 day camping pass for \$130 for 4 days to park in turn 3 and 4.
- Jan 29-Feb 1--48 Hours of Sebring--PCA club race and advanced DE.
- Feb 6-8--Cars for the Cure in Lake Mary--car show and charity fundraising event. There's a judged car show.
- Feb 1st--Chili Cookoff. Jim LaPiana and his wife Christie, said it's an annual event and will be held at Southeast Performance as part of our February membership meeting. There are nice prizes for food completions. No entry or door fee.
- Feb 13-- DE Instructor Day at RRR with a High Performance DE the following two day
- Feb 14-15--DE at RRR - Ron Zitza and Mark Peebles started the event 24 years ago at the same track. 2 days for \$225 for new drivers. Novices will have an instructor riding along. Any sports car can participate. Bring a helmet said Ross. There's a social Friday night and drivers' meeting Saturday morning to kick off the weekend.
- Mar 1st--Challenge Rally benefiting the Russell Home (usually in Nov. but put off because of Escape 2014)
- Mar 18-21--12 Hours of Sebring race. We need volunteers for the Porsche Platz parking.
- Apr 26th--Car Control Clinic at Tavares. Kevin Duffy attended a clinic in Houston in September and will conduct the event here. No helmets required. It is designed to teach you the limits of your car and how to apply driving principles to street driving. He needs volunteer coaches. There will be a wet skid pad in use to experience steering and spins, in a slick but controlled circumstance. He is reserving 6-8 of the 30 spots for 16-18 year olds. Kevin is a state police instructor.

New Business

- Lyn said that they finished the new construction on the Porsche Orlando showroom. We will meet at the dealership for our January meeting but will be going back and forth between there and Southeast performance so watch your e-mails for meeting location each month.
- Lyn still would like volunteers and ideas for drives / events.

There being no further business, Lyn Perez adjourned the meeting. Members were dismissed to Fiddlers Green, Winter Park for dinner.
