President's Update

by Lyn Perez - Club President

It has been a very busy year for the Florida Citrus Porsche Club. From our members participating in PCA Club Racing, Drivers Education and Autocross events to our social events – the Chili Cook-off, Sunrise to Sunset, Cars and Bowling, LeMans Start Party, Octoberfast, and a trip to the NC Mountains and the Tail of the Dragon. All that on top of sponsoring both the Florida Zonefest in Mt Dora to the National PCA event Escape to Magical Orlando held at Disney last month.

Lots of fun. However, these activities would not have been available to our members if it were not for our club volunteers. We want to thank each and every one of you who pitched in to serve our club by volunteering.

Thank you to those who have contributed articles and photos for the Spiel - Dick Carter, Bill Kent, Bill Davis, Nort Northam, Nilo Argudin, Lisa Lewis, Robert Layne, Sue Belt, Chuck Hennings, Jim Peters, Bert Del Villano, John Hursh, Charles Christopher, Robin Budnick, Nancy Philips, Ron Branom, Danny Kent, and our editor Travis Young.

And we could not hold our Drivers Ed or Autocross events without Bert and Anne Del Villano, Ross Evers, Mike Colon, Ron Branom, Tom King, Greg Barrows, Kevin Duffy, Mark Peebles, and Ron Zitz. Thank you to each of you.

A big thanks goes to our event coordinators; Jim and Christie LaPiana - Chili Cook Off, Travis Young – Cinco De Mayo, Oktoberfest, and the Spiel
Lisa Lewis – Tail of the Dragon, Brumos Tours, Sunrise to Sunset, and monthly dinners. Also Lisa Lewis, Nilo Argudin, Robert Layne – helping at the Rolex Corral, Bill and Prudy Davis – Sunrise to Sunset, Bill and Danny Kent – LeMans Start Party, Marty and Robin Budnick – Cars and Bowling, Gary Merideth – monthly Cars and Coffee and Rick Vimmerstedt – July 4th Celebration, Oktoberfest, and hosting our monthly meetings.

Then the two major events, Zonefest and Escape, that so many worked so hard to pull off. These

events were so well organized. Thank you for a job well done Lisa Lewis, Karyn Rinaldi, Linda Morgan, Sondra McDonald, Nancy Phillips, Leslie Sikorski, Robin Budnick, Robert and Chisty Layne, Adrienne and John Six, David Fekete, Jane Scaletta, Nort Northam, Danny Kent, Bill Kent, Paul Bishop, Bert and Anne DelVillano, Kevin Duffy, John and Jan Reker, Bill and Prudy Davis, Arden Griffith, Gary and Vivian Merideth, Steve Williamson, Mark Peebles, Ed Leerdam, Vernon Knoll, Nilo Gutierrez, and Travis Young.

We end this 40th Anniversary Year of the Florida Citrus Porsche Club with our Holiday Party December 7th, 2014 at Southeast Performance. We will again recognize our volunteers that evening. Please join us if you are able. We look forward to another great year of Porsche activities and events in the New Year. Let me thank you in advance for both your service and participation in 2015. As the saying goes "It is not just the Cars, it's the people".

German Excellence Autocross Autocross at Daytona Year End Wrap-up

By Bert Del Villano
Autocross Chairman

FLC and German Excellence hosted an autocross on the Kart Track at Daytona International Speedway on October 25. The weather was perfect, the setting even better. The morning was cool and clear. Then the afternoon sun warmed all. The Kart Track is nestled into the east end of DIS, surrounded by NASCAR turns 3 and 4. During the day, we were serenaded by the roar of the exhaust of the OktoberFast PCA Club Racers and DE drivers – running everything from GT3 Cup Cars to full prep 944s.

The Kart course is always fun. There was an initial straight, followed by a sharp horseshoe, then a series of tight turns. Next was a short stretch downhill to two 90° right turns and another horseshoe that lead to another downhill right turn and a final sprint to the finish. The course gave drivers the chance to both ex-

ercise their throttle and to improve their car control on the highly technical corners.

Fifty-three drivers enjoyed the day. Not only did we host the usual FLC and MSCC crews, but we also had a good contingent from Florida Crown. We had enough drivers to schedule separate morning and afternoon sessions, thus allowing all to watch some of the club racing and tour the facilities of Daytona. TTOD honors for Porsches went to new father, Jim West – again. John Meyers had TTOD among the 911s and David Hannington topped the mid-engine cars. Our star 924 driver, Kevin Duffy, whooped a pair of 928 V8s to take first in class P2. I promised Kevin his own trophy for the victory – he claims he does not have a place for it! We will see.

The 2014 was an unusual year for the autocross series. We had scheduling difficulties, weather problems, and other issues, all of which resulted on having only 3 events. One driver, Bill Ball, attended all three events in his 924. Way to go Bill. Year end results are in the table.

2015 promises to be a more active year for autocrosses. German Excellence is sponsoring our events. Thank you Don. We appreciate you. We have scheduled 5 autocrosses (1/18, 3/15, 4/5, 5/17, 6/7) and a Car Control Clinic (4/26), all at Tavares. Please note that all dates and locations are subject to change.

The German Excellence Autocross series is an excellent place to explore the limits of your Porsche – in a safe and friendly environment, without the fear of those flashing lights. Please join us for a series of fun events.

Doing the Uncomfortable

by Chris Duffy

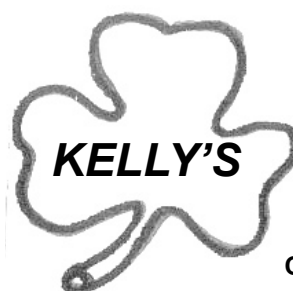

When talking about track driving the conversations are pretty predictable. They cover the numbers, the times, the broken parts, the trackside repairs, and the close calls.

The important part often gets left out – which is how bloody scary the whole thing is.

Turn 1 at Sebring International Raceway is comprised of 70 year old concrete, complete with expansion gaps, patched holes, and filled in aircraft tie-downs. At entry you'll find no distinct marks or place that the turn starts- just miles of empty concrete – but you need to get turn in right or you will be in huge trouble very quickly. At the apex you'll find a concrete barrier with a rusty catch fence on the inside, just outside your side window- instead of a colored curb and the grass run off area you'd expect. At the exit you'll find a small patch of grass/mud followed by a car-eating tire and armco wall. There is a painted curb on the exit, which rises just enough to pool water on the track if it happens to rain.

This is one of the more forgiving turns on the track.

One lap I carried 78 miles per hour through turn 1. I was on line, everything went perfectly, car bouncing

over the expansion gaps and tracking out exactly where it needed to, complete with the light hum of the tires on the curb at the exit.

It was absolutely terrifying.

One mile per hour more, and I would have been trying to avoid the dirt at the exit. Two feet earlier turn in on entry, and I would have taken my side view mirror off on the inside wall. There was no room for anything further; the lack of room for error was incredibly uncomfortable.

So I did it all again on the next lap. That very discomfort is why I went to Sebring, and why I'm going to another track this weekend. Uncomfortable can become comfortable over time – therefore raising the bar and raising your personal capability. If you're not scared, you're not improving.

For best results, you must push. If there's room for error, there's room for improvement. If you aren't challenging yourself, there's no reason to be on track.

It's important to remind ourselves of all of this. Uncomfort breeds improvement, and often the right or best decision in any given situation is almost always somehow uncomfortable.

This truth is directly transferable to the non-track world; if it's finding the best way through Turn 1, or simply deciding what's for dinner... ask yourself if it's comfortable. If it is, you can probably do better.

**MINUTES OF THE
Florida Citrus Region Porsche Club of America
Monthly Meeting
Location: Southeast Performance
October 6, 2014**

Officers present: Lyn Perez, President; Lisa Lewis, VP; Arden Griffith, Treasurer; and Sue Belt, Secretary; Also present: about 70 Members.

The meeting was called to order by President Lyn Perez at Southeast Performance. Lyn thanked Rick Vimmerstedt for use of the use of his showroom and for grilling the bratwurst and contributing beverages for our Oktoberfest Celebration. Travis Young was also thanked for organizing the event and providing the bratwurst, sauerkraut and adult beverages.

Lyn Perez reported that the cash balance of the FLC PCA account is currently \$107,251.35. The total includes the Club Race balance of \$15,483.62, Club checking \$6,945.56, Club Savings \$45,348.58, CR.net Oct DE \$7,646.97, CR.net Escape Goodie store \$816.39, CR.net Escape \$31,010.23. Membership stands at 936, (570 PM; 366SM).

Lyn gave a hearty thanks to all who have been working so hard on organizing the Escape 2014 especially Lisa Lewis. However there are not enough registered for the event so the banquet was canceled and the registration fee was cut by \$100 to encourage additional registrations. This may be a heavy financial obligation for the Citrus Club. It was noted that this is the first national event the club has undertaken in its 40 year history and Nort Northam encouraged all members to support this effort by registering for the event.

Lyn also reported we need about 30 more entrants for the Roebling DE. Current registration stands at about 70 right now. We may have a little loss for this event as well if we don't get additional registrations. He also commented that our DE program is one of the best in the country and hoped people would take advantage of it.

**MINUTES OF THE
Florida Citrus Region Porsche Club of America
Monthly Meeting
Location: SE PERFORMANCE, Winter Park
November 3, 2014**

Officers present: Lyn Perez, President; Lisa Lewis, VP; and Sue Belt, Secretary; Also present: about 50 Members.

The meeting was called to order by President Lyn Perez at Southeast Performance on Solano Ave, Winter Park. He introduced guests and new members attending the meeting for the first time. New members include Ken and Debbie Shultz; Patrick O'Grady; Peter Hanson; and Ashley and Brian Morsette.

Lyn Perez reported the financial report was not available at the time the agenda was printed so it was not on the agenda as usual. He reported the finances as follows: FL Citrus Club account - \$46,995.27, Club Race account \$15,483.62 for a total balance of \$62,478.89. Membership stands at 920, (562 PM; 358 SM).

He thanked all who have been working so hard on the Escape 2014 which begins Wednesday. However there were not enough registered so the banquet was cut and the entrance fee was cut about a month ago in order to encourage additional registrants. That strategy did draw some additional registrants but not as many as had been hoped for. Escape is a big financial obligation for the Citrus Club and Space Coast regions. It's first national event in 40 years sponsored by our clubs.

Ballots were handed out for new club officers or write-in candidates; The ballots were collected by Nort Northam and results were announced at the end of the meeting.

Old Business

- John Reker reported the Oct. 18 Lake Mirror Classic in Lakeland was a large success with 150 cars judged, back to the brass era. There were 3-400 other cars on the streets surrounding including pre-WWI and WWII. Most on display were American cars. There were 2 - 356s (not John's) and an orange 911 from Rusty Russell from Crown Region. It's a free show.
- Lyn reported that about 72 cars registered for the Oct. 18 and 19 Roebing Road DE. Given the low car count there was plenty of clear track time. Everyone gave the weekend good reviews. However, we had to absorb about a \$2500 loss. The next Roebing DE is in February and will include a Friday instructor school.
- For the OctoberFast Club Race Oct. 24-26, Lyn reported that the German Excellence Autocross had a big turnout of 65 cars. Fla. Crown had 60 cars drive down from Jacksonville for the midday parade laps around the Daytona track. Mark Peebles, Greg Barrows, Nort Northam and Dave Edwards were entered in the club race. Greg won 3rd in class; Dave 1st in class in both sprints and Nort won 1st in class in two races.
- Oct. 26th's volunteer day to pack goodie bags for Escape 2014 went well and we are set for Escape registration on Wednesday at the Coronado Springs Resort at Disney.

There will be a Porsche Corral so drive your Porsche and park in the corral and save \$10 from infield parking.
- December 7--Our Holiday Party will be held at Southeast Performance on Solano Ave. Cost is \$40 per person each with drink, appetizer and meal. Register on clubregistration.net. It's our final celebration of Fla. Citrus 40 year anniversary. It's a nice time to dress up for the holidays.
